

Four Easy Steps to ^{AUSTRALIAN}geat2GO

Step 1

Make a request at geat2GO.org.au with the client present (their consent is required).

Step 2

Refer the client to geat2GO through My Aged Care, or add a My Aged Care referral code to your request on geat2GO.org.au.

Step 3

The goods are ordered.
A care plan is sent to the client with key information, delivery date and a follow up telehealth appointment with an OT.

Step 4

The client is contacted to ensure they have met their goals. A follow up appointment will be arranged if required or the client will be discharged from geat2GO.
